“ When Mrs. Willie was a residence at Ware Shoals Manor, I would visit her thinking I would lift her sprites, but by the time I'd leave I was the one feeling high spirited. She would always tell me how much she loved my Mother Corrie, and how at one point in their life's they were friends. Mrs. Willie would always talk about her grandchildren as well as the children she raised. She wore a huge smile that was an ornament, family members rest assure Mrs. Willie now as full contentment. RIP my friend.
