“ I met Willie at work 2 years ago. He always had a smile on his face and a laugh that was contagious. He loved to pick and cut up; especially I was upset. He gave me the nickname of "rock a bye" because of my nervous disorder and I nicknamed him "hop a long". They stuck.

*My heart is broken because I have lost a VERY good friend that I could talk to about anything and knew he would listen. He was a great mentor and I am forever grateful and blessed to have known him.*

*my prayers and deepest condolences go to the family of this sweet, gentle, funny, and kindhearted man who will never know just how many lives he has touched. Rest in peace Willie*

“Willie words can not describe the pain I have in my Heart but I also have Joy knowing that you are in Heaven. You were always there for me when I was a young man and throughout my adult life. You were the best 3rd baseman in softball I ever knew. You have me the nickname Big Red and that has stuck with me my whole life. Our very last talk was about the Lord and that’s so comforting. I know you are in the presence of Jesus Christ at this very moment. I love you brother. I will see you again. Love, Jason Ashley
